Thank you for choosing YoloLiv!

Making pro video accessible for everyone is the mission of YoloLiv. We value your feedback! Email us your suggestions and let us know how you think we're doing and where you'd like to see our products improve: contact@yololiv.com

Technical support

YoloLiv's products are backed by our professional support team. You can reach our team in several ways:

- Email contact@yololiv.com or help@yololiv.com
- Directly contact us via Messenger by going to our Facebook Page "YoloLiv Technology"
- Join our [Official YoloLiv Users Group](#) on Facebook, where you can ask questions, get help or share your tips and tricks
- Fill out a contact form or live chat on Messenger from here: www.yololiv.com/contact-us

Suggest a feature

Have a great idea for a new feature? Tell us about it via contact@yololiv.com

Issue Report

Gather as much information about your problem as you can before you contact us so we can help you better, including:

- A description of the issue (ideally with pictures or videos)
- Details about your video or audio source (product model, ports, resolution, etc.)
- Product serial number
- Your account email
- Firmware & software version
- As many details as possible (For example, for audio/video issues, what is the camera brand & model, resolution/fps setting, internet connection, etc)

Important

Thank you for choosing YoloMax. Before using YoloMax, please read this product manual carefully which includes warnings and attentions, and keep it properly for future reference after reading. Please follow the safety precautions in this product manual to avoid the following situations:

- * Unauthorized maintenance or replacement of parts;
- * Damages caused by accidents, including but not limited to lightning, fire or exposed to humidity;
- * Out-of-range use of permitted supply voltage;
- * Unauthorized modification of product label or unapproved removal of warranty label.

Attentions

Warning electric shock

Do not plug up the vent in case of electric shock. Please return your YoloMax to manufacturer for any repairment or replacement.

Warnings

- Please ensure that no liquid will splash on the product and no container filled with liquid will be put on the product.
- Do not plug up the vent in case of electric shock.
- Do not uncover the product or insert anything to the vent.
- Please put the product on the flat surface. ·Keep the product ventilated and away from direct sunlight or any heat source.
- Do not expose the product to humidity or fire.
- Manufacturer will not take charge of any accident caused by using non-standard power adapter.
- Battery Caution
 1. It is forbidden to disassemble, hit, squeeze or throw it into fire;
 2. If it is severely swollen and deformed, please do not continue to use it;
 3. Do not place it in an environment with high temperature or sudden atmospheric pressure;
 4. Do not replace the battery without permission.
- FCC Regulatory Conformance: This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:
 - (1) This device may not cause harmful interference.
 - (2) This device must accept any interference received, including interference that may cause undesired operation.
- Symbol for "ENVIRONMENT PROTECTION was to electrical products should not be disposed of with household waste. Please recycle where facilities exist. Check with your local Authority or retailer for recycling advice"

FCC Caution:

Any changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate this equipment.

Note:

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

This device complies with part 15 of the FCC Rules.

Operation is subject to the following two conditions:

- (1) This device may not cause harmful interference, and
- (2) this device must accept any interference received, including interference that may cause undesired operation.

About YoloMax

YoloMax is industry's first risk-free solution to live stream vertically to Instagram and TikTok with multi-Cam, graphic overlays, picture in picture, chroma key and many more.

Advantages:

- No Computer or OBS required
- Touch screen control: Production at your fingertip
- great ease to operate
- All-In-One: Encoder, switcher, recorder, monitor all in one

Pro Features :

- Multi-Cam video productions
- Picture in Picture
- Chroma Key
- Horizontal flip & vertical flip
- Graphic Overlays (Image overlays, Lower-thirds, Countdown timer overlays and more)
- Direct integration with Zoom, WhatsApp, Facebook Messenger (Coming Soon)
