How to use BY-M3D with the mobile devices

1. Connect BY-M3D to your mobile devices

4

2. Mounting the microphone to your Clothing

- Attach the microphone to the front of your clothing with the clothing clip, about 20cm (8 inches) from your face.

- 1) Attach the microphone upside down to reduce excessive breath noises and tonal inconsistencies due to head movements.
- 2) It is recommended that you use the foam wind screen at all times to avoid wind noise, even when recording inside.

3. Turn on the video / audio application and start the recording

5

Features:

- Dual-lapel design, allows 2 people to use at the same time
- Omnidirectional polar pattern
- Compatible with most of USB Type-C devices
